TIMBRE is the “color” of music. It is what makes two voices sound different, even when singing the same song. It is why two winemakers, working with the same vineyards, make unique wine. As a terroir-driven winery, we make wines expressive of the places and times from which they came. As winemakers, we channel those sites through our experience, adding our own mark—our TIMBRE—to the resulting wines.

Founded by Joshua Klapper, TIMBRE WINERY is the culmination of years of hard work, and dedication to our craft. It is winemaking expressed through the universal language of musical sound.

AVA AND VINTAGE NOTES

Sauvignon Blanc is one of the world’s most popular white grape varieties for a reason. The potential for complexity and balance make for a perfect canvas to show off the patience we try to have in the winery. Mesa Verde vineyard is a bright star in Santa Barbara County. Fermented and aged in a combination of neutral oak and stainless steel make for a bright and fresh expression of the variety

TASTING NOTES

Classic Sauvignon Blanc with citrus notes of lime and meyer lemon, stone fruit, green apple, pear, and just a hint of freshly cut grass. The same flavors adorn the palate which is bright and lively, but also has hints of dried papaya, golden fig, and sour watermelon.
