

TIMBRE

WINERY

STEREOPHONIC 2018 RIESLING

STEREOPHONIC SOUND THAT SURROUNDS THE LISTENER AND SEEMS TO COME FROM MORE THAN ONE SOURCE. ACIDITY AND SWEETNESS COME FROM OPPOSITE ENDS OF THE FLAVOR SPECTRUM, INTERMINGLING TO FORM A COMPLEX, HARMONIOUS TUNE THAT HITS FROM MULTIPLE ANGLES.

TIMBRE is the “color” of music. It is what makes two voices sound different, even when singing the same song. It is why two winemakers, working with the same vineyards, make unique wine. As a terroir-driven winery, we make wines expressive of the places and times from which they came. As winemakers, we channel those sites through our experience, adding our own mark—our TIMBRE—to the resulting wines.

Founded by Joshua Klapper, TIMBRE WINERY is the culmination of years of hard work, and dedication to our craft. It is winemaking expressed through the universal language of musical sound.

AVA AND VINTAGE NOTES

Following strict German winemaking practices, the juice was chilled down to 45 degrees and then fined with bentonite (a natural clay). Once settled, we racked the clean juice into tank and proceeded to ferment slowly for 6 weeks. Once the resulting wine reached 3% sugar we arrested the fermentation by chilling the tank down to 32 degrees. The wine was racked off the fermentation lees for bottling in February 2019.

TASTING NOTES

Pale green with floral and spice notes of white and pink peppercorn, orchid, and canned pears. Light on the palate but with a viscous textural quality the wine is reminiscent of starfruit, green watermelon, and sweet citrus.
